

Reception Home Learning Week 4

Dear Families,

Here is an overview of tasks we would like the children to have a go at at home over the forthcoming weeks. We are committed to ensuring that your child is still learning as much as possible and will do our very best to keep this happening. We will be communicating with you via Dojo as much as possible during this time.

All the best,

Mrs Smith and Mrs Lawrence

Literacy

Daily Reading

Please make sure that your child keeps reading! This is a great opportunity to read some good books. Why not take the time to read too! Read some non-fiction books too. Have you checked out Oxford Owl? They have the Read Write Inc books online.

Phonics

This week we are learning the special friends: aw – yawn aat dawn and ur – nurse with a purse

Here are some links to phonics websites – some I have given you already, they are:

<https://bit.ly/34Q64SQ> - Link to Letters and Sounds YouTube channel – lessons uploaded every week day from Monday 27th April at 10am (Reception), 10:30am (Year 1), 11am (Learning to Blend – extra practise for R and Y1)

<https://bit.ly/2S31tr9> - Link to Letters and Sounds website – this gives a full list of all lessons planned for the next 5 weeks until half term. As each lesson goes live on YouTube the lesson titles on the website will be hyperlinked. The website is designed as another way for parents to easily access the lessons, and for schools to see lesson info for planning.

Read Write Inc - <https://www.ruthmiskin.com/en/find-out-more/help-during-school-closure/>

They are offering daily phonics sessions online via youtube.

Physical Development

Joe Wicks Body Coach <https://www.youtube.com/watch?v=d3LPrl0v-w> - Who is doing the Daily PE Lesson?!

Go Noodle <https://www.gonoodle.com/>

Change4Life [Change For Life](#)

Andy's Wild Workouts – Youtube

Understanding The World – How do I switch it on/toys

Ask your grown-ups questions about the toys they played with when they were children. Can you facetime or ring any members of your family to see what they played with? Are any of the toys the same as you play with today?

Expressive Arts and Design

Do an observational drawing of something in your garden – this is when you look closely and draw what you can see.

Please keep in touch and send photos of what you are up to over Dojo!

Maths

Counting in 2s to 20

Putting sets of toys in 2s and counting them

Maths games on cbeebies website.

Mathletics

Personal, Social and Emotional Development

Play some board games – taking turns with your family members

Great Websites and apps!

Classroom Secrets Home Learning Packs: These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.
