

Year 2 Home Learning

Maths

Mathletics – Have a go at the activities that relate to what we have learnt in class (20mins a day)

Times Table Rock Stars – Continue practising your times tables (15mins a day)

Individual logins are available via your Class Dojo profiles.

Picture Graphs – Complete the work set on Class Dojo

History & Geography

History - Research The Legend of Robin Hood – record all the information you find. You can record this any way you want.

Geography – Log into Oddizzi (<https://www.oddizzi.com/>) Using the log in details:

Username: Miss Abbott

Password: missabbott

Once you are in, click on physical features, then Biomes and finally Rainforests. Work your way through the information and complete the Geography Curriculum activity at the end.

PE

Remember to get some physical activity every day.

Supermovers - <https://www.bbc.co.uk/teach/supermovers>

Joe Wicks Body Coach - <https://www.youtube.com/watch?v=d3LPrhI0v-w>

Go Noodle - <https://www.gonoodle.com/>

Change4Life - [Change For Life](#)

Yoga – [Cosmic Kids Yoga](#)

Daily Mile – Go outside (into your garden / safe area) and run for 10mins

English

Setting Descriptions – see Class Dojo for more information

Write a descriptive piece about a time you visited a wood. Think about what you saw and heard. What colours / animals did you see? Use a range of adjectives and your toolkit to help you.

ABC		.		□		←-----→		○○○		○○○	
!		?		⌚		A		,		V	
Av		“ ”		can't		Ben's		For lists		interesting	
				contraction		possession					

Reading

You need to continue to read at least three times a week and record this in your reading diary.

Write a book report for one of the books you have read

Complete the challenge card that has been uploaded to Class Dojo.

Art & Design / Design & Technology

Create your own colour wheel using different tints, tones and shades.

Firstly, look at a colour wheel and remind yourself what tints, tones and shades are.

Then draw your own. If you don't have any paints to fill in your colour wheel, use crayons. Start by pressing down really hard with your crayon and get lighter the further down the wheel you get.

Great Websites!

Newsround

<https://www.bbc.co.uk/newsround>

Keep up to date with what is happening in the world!

Computing

Editing images. Take pictures on a smart phone / tablet (if one is available) and use the editing features to change your photos. You could crop them, add different filters or change the orientation of your pictures. Upload the original picture you took and the edited version too!

If a smartphone or tablet is not available, copy and paste a picture from the internet and use word or another online programme to edit your photos.

Science

Look at the habitats of woodland animals. What do they need to survive? Think about how they use their environment to make their homes.

Create a poster on woodland habitats.
