

Science Curriculum Map

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Plants	Parts		Functions of parts			Photosynthesis
	Types		Lifecycle			Reproduction
Organisms	Classification	Insects		Classification		Cells
	Ocean Life			Habitats/ protection		
Ecology		Habitats		Food Chains		
		Food Chains		Ecosystems & threats		
Human Body	Senses & skeleton	Taking care of Earth	Digestive System	Muscular System	Circulatory System	Hormones & Reproduction
	Healthy Bodies		Diet	Skeletal System	Respiratory System	Reproductive System
Reproduction & Evolution		Life cycles	Teeth	Nervous System		Reproduction
				Vision & Hearing		Evolution
Matter		Materials	Solids, liquids & gases		Properties of matter	
		States of matter			Changing Materials	
Forces	Astronomy	Electricity	Magnetism	Light	Solutions	
		Magnetism	Friction & Forces	Sound	Electricity	
Cycles In Nature	Seasons		Water Cycle		Astronomy	
	Weather		Weathering & Erosion		Meteorology	
Earth			Rocks / Soils			
			Archimedes			
Significant Scientists	Charles Darwin	Thomas Edison	Aristotle	Isaac Newton	Tim Burners-Lee	Charles Darwin
		Curie Family	Mary Anning	Alexander Graham-Bell	Michael Farady / Tesla	Elizabeth Garrett Anderson
